PURIM SUDOKU

Fill in the blanks using only logic while ensuring not to repeat a image in the same square, row, or column. The Sudoku puzzle has only one possible solution. The images provided at the board puzzle are the clues to unveil it.

Cut out all the images below. Place the images in the empty square in the sudoku board. **Remember each image must appear only once in each square, row, or column.**

MAKE-YOUR-OWN Purim Grogger

Put some dry beans, rice
or beads in the plate

Glue the stick to
the plate

Connect the two plates using a
stapler or glue it allow to dry

Decorate your
grogger

What you will need:

- 2 Paper plates
- Popsicle stick
- Dried beans, rice or Beads
- Glue
- Stapler
- Markers

Have fun and be creative

Mishloach Manot Card

Cut the rectangle, fold it in half and write the greeting on the blank side.
